

DUTCHMAN TRUCKSPADE

STRAIGHT BLADE: 50" - 55" - 60"

Dutchman Straight Blade Truck Spades combine the strength and digging ability of a straight-bladed tree spade with the mobility of a small truck chassis, all backed up by the durability and dependability for which Dutchman is known. The uncomplicated design and operation make for a speedy dig. No water is necessary for operation; this equals fewer hoses to leak, tanks to fill, and hits to your bottom line.

The Straight-Blade spades will cut through the hardest roots and rockiest soils time and time again. Dutchman Straight Blade Truck Spades are not just a hardworking tool: they are a reliable investment in productive seasons for years to come.
